EXERION

1. A new space game with dual fire controls. A mixture of Phoenix, Galaga and Moon Patrol.

2. By operating "Fighter Ex" with the joystick and the fire controls shoot down the oncoming enemies.

3. "Fighter Ex" has single and dual guns. Rapid fire may be used only with single gun. If charge on the screen shows "O" single gun cannot be used. You may charge your gun for rapid fire use again by hitting enemies with dual gun.

4. Large Monster Birds change colour with each hit and can be destroyed with 8 shots on target.

5. Bonus Challenge after 4 stages to increase "Charge" for rapid firing.

6. Destroying enemies will also increase charge for rapid firing.

7. Various characters appear as game progresses, shoot them for high scores.
